

EVOLON® ULTRA SMOOTH

HARD-WEARING & LOW-FRICTION PACKAGING MATERIALS

Evolon® Ultra Smooth fabrics are extremely low-linting, strong and hard-wearing. They are designed for industrial parts and components that require low-friction, sliding behavior during the part packing and handling steps.

- Premium surface protection: scratch-free, lint-free
- Enhanced mechanical strength
- Excellent sliding when inserting the parts
- Durably hydrophobic
- 100% European, condensed supply chain

Water-repellent

Available in different weights and colors
